

The Butterfly Club

HELPING TO SECURE
THE FUTURE OF
BEECHWOOD

By becoming a member of the Butterfly Club you are helping us to secure the future of Beechwood.

DONATING:

£5 per month will help us to assess each patient/family ensuring that we provide the best support for them matching their exact requirements to the best programme for their individual needs.

£10 per month will provide a full day for patients on one of our programmes.

£15 per month will help carers get valuable support when they need it.

£25 per month will ensure that we are able to support family members who are affected by any life limiting illness and also through the death of a loved one.

Any amount you donate will be used to help all families, carers and patients get the support they need when serious illness affects them.

Regular donations are a great source of income for Beechwood and it enables us to plan financially and provide continued care to our patients and their families.

As a member of the Butterfly Club you will receive a regular Newsletter and advance information about special events that Beechwood are holding, you will also receive a Butterfly Badge and Certificate.

Please contact us if you would like to find out more about our services, how to fundraise or how to become a volunteer. We would love to hear from you.
